250 tk komplekt
LH631

A template for a food control tag. At the top, there is a row of seven small boxes containing the abbreviations for the days of the week: LU, MA, ME, JE, VE, SA, and DI. Below this, the tag is divided into several sections for handwritten information. On the left side, there is a vertical label 'hydosoluble' (likely a typo for 'hydrosoluble'). The main body of the tag contains the following fields: 'PRODUIT' followed by a horizontal line; 'EMPL.' followed by a horizontal line; 'NOMBRE' followed by a horizontal line; 'DATE' followed by a horizontal line; 'HEURE' followed by a horizontal line; and 'CONSOM. AV.' followed by a horizontal line. On the right side, there is a vertical label 'LabelFresh'. At the bottom right, there is a small icon of a flame and a pencil, indicating that the tag is heat-activated and can be used for marking.
